■ PREPARTICIPATION PHYSICAL EVALUATION

HISTORY FORM

(Note: This form is to be filled out by the patient and parent prior to seeing the physician. The physician should keep a copy of this form in the chart.)

Date of	Exam											
Name		Date of birth										
Sex _	Age Grade	School	nool Sport(s)									
Medi	cines and Allergies: Please list all of the prescription	and over-the-co	unter m	nedicines and supplements (herbal and nutritional) that you are currently	taking							
Do you have any allergies?												
Explain "Yes" answers below. Circle questions you don't know the answers to.												
GENEF	RAL QUESTIONS	Yes	No	MEDICAL QUESTIONS	Yes	No						
	s a doctor ever denied or restricted your participation in spor y reason?	ts for		26. Do you cough, wheeze, or have difficulty breathing during or after exercise?								
be	you have any ongoing medical conditions? If so, please iden low: Asthma Anemia Diabetes Infection her:			27. Have you ever used an inhaler or taken asthma medicine? 28. Is there anyone in your family who has asthma?								
	ve you ever spent the night in the hospital?			29. Were you born without or are you missing a kidney, an eye, a testicle (males), your spleen, or any other organ?								
	ve you ever had surgery?			30. Do you have groin pain or a painful bulge or hernia in the groin area?								
	HEALTH QUESTIONS ABOUT YOU	Yes	No	31. Have you had infectious mononucleosis (mono) within the last month?								
	ve you ever passed out or nearly passed out DURING or TER exercise?			32. Do you have any rashes, pressure sores, or other skin problems? 33. Have you had a herpes or MRSA skin infection?								
	ve you ever had discomfort, pain, tightness, or pressure in yo	our		33. Have you ever had a head injury or concussion?								
	est during exercise? es your heart ever race or skip beats (irregular beats) during	exercise?		35. Have you ever had a hit or blow to the head that caused confusion, prolonged headache, or memory problems?								
	s a doctor ever told you that you have any heart problems? If	f so,		36. Do you have a history of seizure disorder?								
	eck all that apply: High blood pressure			37. Do you have headaches with exercise?								
	High cholesterol			38. Have you ever had numbness, tingling, or weakness in your arms or legs after being hit or falling?								
	s a doctor ever ordered a test for your heart? (For example, E hocardiogram)	ECG/EKG,		39. Have you ever been unable to move your arms or legs after being hit or falling?								
	you get lightheaded or feel more short of breath than expect	ted		40. Have you ever become ill while exercising in the heat?								
_	ring exercise?			41. Do you get frequent muscle cramps when exercising?								
	ve you ever had an unexplained seizure? you get more tired or short of breath more quickly than your	friends		42. Do you or someone in your family have sickle cell trait or disease? 43. Have you had any problems with your eyes or vision?								
	ring exercise?	Inchas		44. Have you had any problems with your eyes of vision?								
HEART	HEALTH QUESTIONS ABOUT YOUR FAMILY	Yes	No	45. Do you wear glasses or contact lenses?								
un	is any family member or relative died of heart problems or ha expected or unexplained sudden death before age 50 (includi owning, unexplained car accident, or sudden infant death syn	ing		46. Do you wear protective eyewear, such as goggles or a face shield? 47. Do you worry about your weight?								
14. Do	ies anyone in your family have hypertrophic cardiomyopathy, ndrome, arrhythmogenic right ventricular cardiomyopathy, lor	Marfan		48. Are you trying to or has anyone recommended that you gain or lose weight?								
sy	ndrome, short QT syndrome, Brugada syndrome, or catechola lymorphic ventricular tachycardia?			49. Are you on a special diet or do you avoid certain types of foods?								
	es anyone in your family have a heart problem, pacemaker, o	nr		50. Have you ever had an eating disorder?								
	planted defibrillator?			51. Do you have any concerns that you would like to discuss with a doctor?								
	s anyone in your family had unexplained fainting, unexplained izures, or near drowning?	d		FEMALES ONLY 52. Have you ever had a menstrual period?								
	AND JOINT QUESTIONS	Yes	No	53. How old were you when you had your first menstrual period?								
	ve you ever had an injury to a bone, muscle, ligament, or tenat caused you to miss a practice or a game?	don		54. How many periods have you had in the last 12 months?								
18. Ha	ve you ever had any broken or fractured bones or dislocated	joints?		Explain "yes" answers here								
	ve you ever had an injury that required x-rays, MRI, CT scan, ections, therapy, a brace, a cast, or crutches?											
20. Ha	ve you ever had a stress fracture?] ————								
	ve you ever been told that you have or have you had an x-ray stability or atlantoaxial instability? (Down syndrome or dwarfis											
	you regularly use a brace, orthotics, or other assistive device	e?										
	you have a bone, muscle, or joint injury that bothers you?											
	any of your joints become painful, swollen, feel warm, or loo			-								
	you have any history of juvenile arthritis or connective tissue			J ————————————————————————————————————
